

**REMARKS**

This Amendment is made to more particularly claim the present invention. Claims 1-31 are pending in the international application, Serial No. PCT/NZ99/00081. In the present national phase application, Applicant has amended claims 1-28 and 30-31, and has canceled claim 29. Applicant has also added claims 32-40. Consequently, claims 1-28 and 30-40 remain pending in the present application entered herewith into the national phase under 37 USC 3.71.

Applicant's attorney believes that this application is in condition for allowance. Should any unresolved issues remain, Examiner is invited to call Applicant's attorney at the telephone number indicated below.

Respectfully submitted,
